Sir:

We, Lane Fielding Smith and Evan Farr Smith, the inventors named in the above-identified patent application, hereby declare: that we are citizens of the United States; that our residences and post office addresses are 3627 South 100 West, Bountiful, Utah 84010 and 3265 West 8410 South, West Jordan, Utah 84088, respectively, that we verily believe we are the original, first and co-

inventors of the subject matter of the invention or discovery for which a patent is sought and which is described and claimed in the above-identified application; that the subject matter of the amendments dated February 14, 2005 and October 6, 2005 was part of our invention and was invented before the filing of the original, above-identified patent application; that we have reviewed and understand the contents of the specification of the above-identified application, including the claims, as amended by the amendments referred to above; and that we acknowledge the duty to disclose to the Patent and Trademark Office all information known to us to be material to patentability as defined in Section 1.56 of Title 37 of the Code of Federal Regulations.

We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and, further, that these statements were made with the knowledge that willful, false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful, false statements may jeopardize the validity of the application or any patent issuing thereon.

Signed at Murray, Utah this 20 day of January, 2006.
